HOST A COACH

& save towards camps this summer

Each year we receive hundreds of emails from families telling us what an incredible time they had hosting one of our coaches.

Your camp's coaches will stay with local families in your community for the duration of the camp week. In return, you receive a rebate of up to \$80 towards the cost of your camp fees, but more importantly you will enjoy a unique week learning about foreign countries, cultures and customs and building lasting friendships with our staff.
